Date Completed	2001	
Neighborhood	The Fan	
Locale	Richmond	
Project Financing		
LISC Investment Type/Amount	Pre-development	\$35,000
Total Development Cost	\$1,760,000	

Project highlights

Named for its streets that “fan” out from Downtown, this Victorian neighborhood encompasses over a hundred city blocks and was developed around the turn of the century to meet the growing housing needs of the City. Located near Virginia Commonwealth University, the St. Andrews Townhouses were renovated and converted from nine historic, and formerly vacant structures and now provide affording housing for working families.
