Neighborhood	Church Hill	
Locale	Richmond	
Project Financing		
LISC Investment Type/Amount	Pre-development loan	\$100,000
Total Development Cost	\$1,900,000	

Project Highlights

This revitalization project converted the blighted Simmons Laundry building into a state-of-the-art child care center, providing services along a sliding pay scale to an extremely low-income neighborhood. The center offers quality care for 96 children and has brought approximately \$2 million in investment to the area.
